Step 02

LEVELING THE BASE.

The base includes adjustable feet. Be sure to level your table prior to first use.

Outdoor Note: We recommend adjusting the table to be slightly out of level to help prevent standing water on the table top.

NOTE

Do not use abrasive cleaners on painted metal as it may affect the surface finish.

CLEAN

Clean with a slightly damp, soft cloth. To remove dirt and fingerprints, use a quality cleaner formulated for metal furniture. Wipe completely dry with a soft cloth.

MAINTAIN

Cover table during periods of non-use. Store table indoors during winter months.
